## 👤 ABOUT ME

As a self-taught developer with specialization in both front-end and back-end technologies, I've dedicated myself to mastering platforms such as WordPress, HTML, CSS, JavaScript, PHP, Vue.JS, and Node.

But my skill set doesn't stop at coding. I also bring valuable leadership experience from my previous career in the Real Estate management sector. In head positions, I managed teams to achieve brilliant results, demonstrating my ability to guide projects to success and foster collaborative environments.
